

ironbound

April 1984

From a tiny seed, a mighty tree must grow. When a group of Ironbound residents met in 1969 to share ideas for what was needed in the neighborhood, they could not have known how the IRONBOUND COMMUNITY CORPORATION would continue to grow. They could not have predicted that hundreds of neighborhood residents would give their time and energy, building and participating in ICC's many successful neighborhood programs.

Here are some of the ways the work of the IRONBOUND COMMUNITY CORPORATION touches the lives of neighborhood residents:

- ** over 800 children have have attended the Ironbound Children's Center
- ** more than 250 students have attended the Ironbound Community School
- ** 700 adults have taken college courses through the Ironbound Adult Education Project
- ** more than 2,000 health screenings for children were performed by the Ironbound Health Project
- ** 2,500 adults have had free health tests at the annual Community Health Fair
- ** 57 senior citizens receive a nutritious hot meal each day through the Meals on Wheels Program
- ** more than 13,000 people have contacted the Ironbound Information Center for assistance
- ** thousands of residents read Ironbound Voices and many now watch Ironbound Insights
- ** hundreds of residents have joined with their neighbors to fight for better housing, a cleaner environment and legal rights.

The IRONBOUND COMMUNITY CORPORATION has always been an organization of by and for the people. With the help of our friends and neighbors, we will continue to work for our community. We are proud of our accomplishments and thank all those who have contributed to the success of the IRONBOUND COMMUNITY CORPORATION.
